

Key Messages

These are the key things you need to know about our school:

We follow the child's needs to support their well-being. This means you may need to stay with your child while they are settling or at other times if they become upset.

Try and toilet train your child before they start – ask to speak to our family worker for advice and support

Safeguarding at Pastures Way Nursery School

ALL CHILDREN HAVE THE RIGHT TO FEEL SAFE

AND SAFEGUARDING IS EVERYONE'S RESPONSIBILITY

Pastures Way staff are committed to caring for and looking after the well being of all the children

If we have any worries about a child it will be raised as a safeguarding concern

Emma

Maria

are our Designated Safeguarding Officers

If you have any concerns about a child or wish to speak to someone about any safeguarding concerns please use any of our Designated Safeguarding Officers

Non Negotiables

- Live by our school values
- Be kind, to others, the environment and to yourself
- Listen to others
- When inside walk and use your quiet voice
- When you've finished with something tidy it up

Information sharing is key...we will share any important information about your child, this includes accidents and safeguarding.

Please don't be offended when we ask about your child!

SHUT ALL GATES AND DOORS BEHIND YOU!

Physical development

Investigating

Exploring

Problem solving

Imagining

Creating

Thinking skills

Sharing and working together

Please don't send me to nursery in my best clothes as I get messy when I'm having fun learning. Sometimes I wear an apron and sometimes I forget so a change of clothes in my bag is also something I will need.

When you drop me off and pick me up:
Hold my hand and talk to me!
 This way the other adults know I am not on my own and you get to find out about all the fun things I have learnt today

Arrive and collect your child on time and never leave without saying goodbye – lateness can cause children distress.

No Phones
No Photos
Thank You

Why?

- To keep children safe and to stop strangers taking photos of your children
- So other people are not disturbed by your phone
- So you can spend time learning with your child
- You may use your phone outside or in the staffroom

Tell your children that nursery is lots of fun!
